

## Azim Premji University

Azim Premji University (APU) is a non-profit and private university, located in Bengaluru. It is recognised by the University Grants Commission (UGC) and is aimed at preparing graduates by expanding the frontiers of knowledge in education, development and allied fields through research. The APU campus is spread across 12 acre of land and is organised into five schools and a research centre. The admission cycle commences in November and ends in February. However, the classes for all the courses are conducted July onwards.
