

Generation Google Scholarship for Women in Computer Science 2022

Generation Google Scholarship: for Women in computer science was established to help students pursuing computer science degrees excel in technology and become leaders in the field. Selected students will receive \$1,000 USD for the 2022-2023 school year. Generation Google Scholarship: for Women in computer science will be awarded based on the strength of each candidate's commitment to diversity, equity and inclusion, innovation and academic performance. The program is open to students who meet all the minimum qualifications and we strongly encourage women interested in computer science to apply
