

IIT Madras – Online Degree

IIT Madras, India's top technical institute, welcomes you to the world's first online BSc Degree program in Programming and Data Science.

For the first time, you can work towards an undergraduate degree / diploma from an IIT regardless of your age or location, and with a wide range of academic backgrounds. The program uses an innovative combination of online learning and in-person assessment and is flexible and affordable.

Eligibility For Regular Entry	
<p><u>Eligibility for those who cleared class 12 or equivalent in 2018 or earlier:</u></p> <ul style="list-style-type: none"> The candidate must have studied Mathematics and English in class 10. They should have cleared class 12 or equivalent in 2018 or earlier. <p>No additional eligibility required to apply for the qualifier process or join the foundational courses after clearing the qualifying exam.</p>	<p><u>Eligibility for those who cleared class 12 or equivalent in 2019 or 2020:</u></p> <ul style="list-style-type: none"> The candidate must have studied Mathematics and English in class 10. They should have cleared class 12 or equivalent in 2019 or 2020. The candidate should be: <ul style="list-style-type: none"> (i) currently enrolled / previously enrolled in any Bachelor's Degree program in campus mode OR (ii) completed 1 year (campus mode only) diploma OR (iii) completed CA Inter

Note: Applicants who cleared class 12 or equivalent in 2019 or 2020 may apply for the qualifier process with eligibility criteria 1 & 2 alone, but will be required to fulfil criterion 3 to join the foundational courses after clearing the qualifying exam.

Anyone who is eligible may apply by filling in the application form, uploading required documents and paying the application fee. Application fee - Rs.3, 000 (Relaxation for candidates in PwD / SC/ ST categories).
