

L'Oréal India For Young Women In Science Scholarships 2021

L'Oréal India invites applications from young women who have passed Class 12 in 2021 and wish to pursue higher education in science, for **L'Oréal India For Young Women In Science Scholarships 2021**. The scholarships will be granted to promising young women who are economically disadvantaged. Selected women scholars will receive financial aid to cover college fees for graduation studies in any scientific field (Pure Sciences/Applied Sciences/Engineering/Medical, etc.) at a recognized college or university in India.

L'Oréal India is offering this scholarship with an objective to support and encourage young women for pursuing higher education in science stream. The programme was instituted in 2003 and it has consistently helped young women to pursue scientific studies.

Eligibility –

- Women candidates who have passed Class 12 in Science stream from India in the academic year 2020-21
- Must have scored a minimum of 85% in PCM/PCB/PCMB in Class 12
- Annual family income of the applicant should be less than INR 4,00,000 (4.00 Lakhs)
- Should not exceed 19 years of age as on 31/05/2021
- Must be taking admission to undergraduate (bachelor's) programmes in science-related field in the academic year 2021-22.

Note: Students having one-year gap after Class 12 will not be considered. Also, the final selection would be subject to the submission of the admission letter from a recognized college/university in India.
