

National Urban Digital Mission Fellowship

MoHUA is looking for capable leaders from diverse backgrounds and disciplines who are committed to making a positive difference in the world. The NUDM Fellows will have an opportunity to lead the adoption of a transformative Mission across the nation. Participating in a fast-paced work experience program such as the NUDM Fellowship will be a challenging, but rewarding experience for young professionals. Through the Fellowship, the Mission will institutionalize young professionals as part of the Mission implementation plan to select States and Union Territories, to make capable young professionals a part of the transformational nation building exercise that is NUDM.

Eligibility –

- The maximum age of the candidate should not be more than 35 years as on 31 October 2021.
- Candidates must enlist their fluency in Indian regional languages or more than one language
- Fellows must display critical thinking and problem-solving abilities in an assignment of the recruitment process.
- Fellows will possess the following qualifications: professionals with 1st Division or minimum 60% marks in their under-graduate or post-graduate qualification; or PhDs from premier institutions/universities.
- The candidate should be available to commence the Fellowship on 01 February 2022 (tentative). Attending the induction programme in January 2022 is mandatory for selected candidates.
- The candidates to be considered for the Fellowship should be from an institute of repute in the following fields, but not limited to: Engineering Information Technology, Urban Planning, Commerce and Finance, Data Science, Public Policy.

Steps for Application –

- Read prospectus: <https://niua.org/cdg/NUDM-Fellowship>
- Fill application for at <https://www.niua.org/nudm/registration/user/register?destination=node/1>
- Fill all the details carefully and upload documents required.

Selection:

- Applications will be invited in a prescribed format online, via online platform.
- Candidates for the NUDM Fellowship 2021 will be shortlisted on the basis of the completed applications and only such candidates will be invited to attend an interview (online/virtual).
- Based on the performance of the candidates in the interview round, 20 applicants will be selected to participate in the inaugural cohort of the NUDM Fellowship.

Other Details –

- Preference will be given to persons with work experience in the relevant field supported by published work/policy papers/appraisal/monitoring of projects & schemes etc.
- Candidates with a minimum of 2-3 years of experience in the implementation of IT projects, data sciences, government consulting and urban infrastructure projects will be given preference in the selection of the inaugural cohort.
- Candidates should also possess strong communication and interpersonal skills. Exposure to data analytics would be an added strength of the candidate.

Fellows will receive a remuneration package of INR 60,000 inclusive of all taxes per month.
