## Sashakt Scholarship for B.Sc Girl Students by Dr. Reddy's Foundation

Sashakt Scholarship is a kind initiative to encourage young women across India to prepare for and pursue a career in science. It provides a level playing ground to girl students, especially from rural India and low socio-economic backgrounds, to get access to quality education in some of India's best science institutions by offering financial support and mentorship throughout their undergraduate studies.

### Scholarships Benefits:

- The scholarship covers all three years of study towards earning a B.Sc. degree.
- Limited scholarships available, for students securing admissions in any of the 12 listed science colleges.
- With a lead woman scientist as a mentor, the scholars are guided through the crucial stages of their education, apart from having a role model for a career in science.
- The scholarship award ₹2, 40,000 (₹80,000/ year) for three years of study, which covers the college tuition fees, study expenses, and basic living costs.

### Who can apply?

- Bright, young girls can apply as soon as they complete their Class XII examinations. Only students who opt to study pure/natural science courses for their graduation are eligible for this scholarship. Preference will be given to students with rural backgrounds, economically weak backgrounds, and interest in scientific research.

### The scholarship will be given only to students who have confirmed admissions to any of the colleges listed:

- **Bangalore:** Christ University | Mount Carmel College | St Joseph's College | the Oxford College of Science.
- **Chennai:** Madras Christian College | Stella Maris College | Women's Christian College.
