FREEDOM EMPLOYABILITY ACADEMY
Building ethical, productive mindsets
and core employability skills

Last Date of Application: 26th March, 2024

Common University Entrance Test, CUET

The Common University Entrance Test (CUET) is a standardized examination system in India, unifying undergraduate admissions for multiple universities. It assesses students' proficiency in core subjects such as Mathematics, Physics, Chemistry, and English. CUET aims to simplify the admission process by replacing separate entrance exams, ensuring fairness and transparency. Candidates must meet specific eligibility criteria, including academic qualifications, Indian nationality or residency, and adherence to age limits set by participating universities. CUET streamlines admissions, reducing the burden on students and offering a more accessible pathway to higher education.

Eligibility Criteria –

- Completion of the 10+2 level of education or equivalent.
- Meeting minimum percentage or grade requirements in the 10+2 exams.
- Having studied relevant subjects such as Mathematics, Physics, and Chemistry at the 10+2 level.
- Indian citizenship or residency status.
- Compliance with any age criteria specified by participating universities.
- Completion of the registration process and payment of required fees within the specified deadline.

Steps for Application –

- Register: **https://cuetug.ntaonline.in/frontend/web/registration/index**
- Fill application form: **https://cuetug.ntaonline.in/**
- Pay Examination Fee
