

Haryana Lateral Engineering Entrance Test 2022

Haryana Lateral Engineering Entrance Test also popularly known as Haryana LEET is a state-level lateral entry test conducted by the Haryana State Technical Education Society (HSTES). It serves as a gateway for the aspirants who wish to be admitted in the 2nd year/3rd semester of B.E/B.Tech Programmes in the Engineering colleges of Haryana. Haryana LEET Application form will be available on the official website soon.

Eligibility –

- To appear for Haryana LEET 2022 candidates belonging to OC or OBC are required to score at least 45% marks, and 40% aggregate marks for SC/ST/PD.
- Applicants must be citizens of India to appear for Haryana LEET 2022 Exam.
- There is a quota reserved for Kashmiri migrants who are allowed up to 10% cut-off relaxation.
- Candidates should have passed Part 1 of B.Sc/B.Tech or have a Diploma in Engineering to be eligible for applying to the Haryana LEET 2022 examination.
