

IET India Scholarship Awards 2023

India Scholarship Award is India's largest scholarship programmed for undergraduate engineering students. Designed by the **Institute of Engineering and Technology (IET)** to recognize and nurture future engineering leaders of India. The 7th edition of the award programmed will inspire undergraduate engineering students by rewarding their creativity, innovation, leadership and excellence. Engineering students across years (1st, 2nd, 3rd or 4th year) and engineering specializations will compete for a combined scholarship prize worth INR 10, 00,000.

The IET is one of the world's largest professional societies for engineers that works closely with industry, academia and government to engineer a better world. A number of eminent engineers have been honored as Honorary Fellows of the IET, including Shri Ratan Tata (former chairman of Tata Sons), N R Narayana Murthy (former chairman of Infosys) and T V Ramachandran (former executive director of Vodafone).
