

# IIT Ropar Mechanical Engineering Department (MED) JRF 2021

IIT Ropar Mechanical Engineering Department (MED) Junior Research Fellowship 2021 is a research opportunity offered to postgraduate degree holders. The candidate will receive a fellowship of INR 31,000 per month plus HRA (as applicable).

## Eligibility –

- Hold a Postgraduate degree (M. Tech / M. Sc.) in Mechanical / Physics /Materials Science or related discipline
- Be GATE qualified

## Desirable Experience:

- Since the project involves the development of thermal interface material based on grapheme / vertically aligned CNTs. The candidate who earlier worked on TIM, thermal conductivity measurements, thermal management of electronics

## Steps for Application –

- Read prospectus: <https://www.iitrpr.ac.in/sites/default/files/Lam-JRF-Advertise.pdf>
- Send all the below mentioned documents at **prabhat@iitrpr.ac.in** by **20th November 2021**.

**Note - Please include "Thermal Interface Materials" in the subject line of your email.**

## Documents –

- A one-page cover letter describing the suitability for the post
- Curriculum Vitae with complete qualification and experience details
- Copy of GATE score

## Benefits

- The candidate will receive a fellowship of INR 31,000 per month plus HRA (as applicable).
