

Mathematics Olympiad – 2017.

Much like the Olympics in sports, the Olympiads are a celebration of the very best in school level science and mathematics. They are the meeting places of the brightest young minds of the world. In India, the Homi Bhabha Centre for Science Education is the National Center for this programme.

The Mathematics Olympiad is conducted in the following 6 stages:

1. Pre- Regional Mathematical Olympiad
2. Regional Mathematical Olympiad
3. Indian National Mathematical Olympiad
4. IMO Training Camp
5. Pre- Departure Camp
6. International Olympiad

The registration for the first stage of the competition is open. To register, please go through the information given below:
