

Muskaan Scholarship Program 2024-25

Muskaan Scholarship is a CSR initiative by Valvoline Cummins Pvt Ltd. It aims to provide financial assistance to children from underprivileged backgrounds. Scholarships help students pay for their education by providing financial assistance. This enables children to receive an education that they would otherwise be unable to obtain. Furthermore, the scholarship recipients were mentored by company employees who dedicated time outside of work hours to assist them with other aspects of their lives.
