

National Institute of Fashion Technology

Continuing Education (CE) programs

The Continuing Education (CE) programs are a great way for busy people to pursue their educational and professional goals and upgrade their skill level. These short duration part time evening courses offer passionate professional a platform to hone and learn at a quicker pace that also fits their own schedule. Developed in consultation with reputed academicians and industry practitioners, each CE program offered by NIFT is crafted meticulously keeping the current requirements of the industry in mind. These requirements are further nurtured by mixing theory with practice, preparing aspiring individuals for the real life challenges in their chosen field of design. A total of 15 courses are being offered to meet the needs of the apparel and accessory industry including a diploma program. Some of the courses are being offered exclusively at Delhi campus.
