

## **Program in Mathematics for Young Scientists (PROMYS) 2024**

PROMYS India 2024, a collaboration with the Indian Institute of Science (IISc) Bengaluru, provides a unique opportunity for students in Class 9 to 12. Successful candidates will receive a full scholarship encompassing tuition, housing, and meals for the entire six-week program.

PROMYS India offers a residential summer program focused on mathematics for students in India. Participants engage in studying, attending lectures on campus, sharing meals, and residing in separate housing areas based on gender at the Indian Institute of Science (IISc) Bengaluru.

### **Eligibility –**

- Minimum and maximum age requirement- 15-19 years old by May 5, 2024
- Enrolled in secondary or higher secondary school (Class 9 to 12, Class 11, 12, or Pre-University Course).
- Completed or currently in Class 9 before the program commencement.
- Attend government-funded schools, government-aided private schools, unaided private/independent schools, sixth form colleges, home schools, or other types of secondary and higher secondary schools across India.

#### **Note:**

- Students completing their final year of higher secondary school or taking a gap year without starting university studies are still eligible to apply.
- Students currently attending university are not eligible to be first-year students but can apply as undergraduate counselors.

### **Steps for Application –**

- Click here to apply- <https://promysindia.submittable.com/submit/1880e6f0-9715-4718-8c4f-3344a843c291/application-to-promys-india-2024>
- Register/Login on PROMYS website using email
- Fill in the required details, upload the necessary documents and submit

### **Documents –**

- Application problem set- [https://s99587.n3cdn1.secureserver.net/wp-content/uploads/2023/12/PROMYS India 2024 Application.pdf](https://s99587.n3cdn1.secureserver.net/wp-content/uploads/2023/12/PROMYS_India_2024_Application.pdf) (Given in hyper link)
- Online application form
- Teacher recommendation form to be submitted by a mathematics teacher or mentor
- School Report Card(s) - for all years from Class 9 and above (from Class 8 and above for students applying in Class 9)
