

The Rhodes scholarship for India 2023-24

The Rhodes Trust, in collaboration with John McCall MacBain O.C., the founder of the McCall MacBain Foundation (NGO) in the second century, has established the Rhodes Scholarships for India 2023–24 for Indian postgraduate applicants to the University of Oxford in United Kingdom.

The scholarship is for young leaders with exceptional intellect and character who are driven to tackle global issues. They are dedicated to helping others, and who have the potential to become principled, value-driven leaders for the world's future. Each selected candidate will receive a fully-funded scholarship to study full-time at Oxford University.

Eligibility –

- You must be a citizen of India, holding an Indian passport or an equivalent proof of citizenship. PIO or OCI card holders do not satisfy the Indian citizenship criteria for this purpose. Applications from refugees/asylum seekers in India will also be considered in this constituency.
- You must have completed your formal education from an Institution/University in India for a minimum of four years.
- You must have attained or expected to attain a first class or equivalent degree by October 2024.
- You must be at least 19 years of age and not more than 25 years of age as on 01 October, 2024.
- You must have a strong record of academic achievement, leadership potential, commitment to service, and character.
